Max. Flow Rate*:	10" = 45 l/min 20" = 90 l/min
Connection:	Code 7

* Depending on the filter cartridge

Certification of Quality

These robust and long-lasting housings are designed to deliver reliable performance for decades. They eliminate the risk of catastrophic failures commonly associated with plastic housings, ensuring safety and durability.

Key features include:

Safe for Potable Water and Food Applications: Ideal for use in environments requiring high sanitary standards.

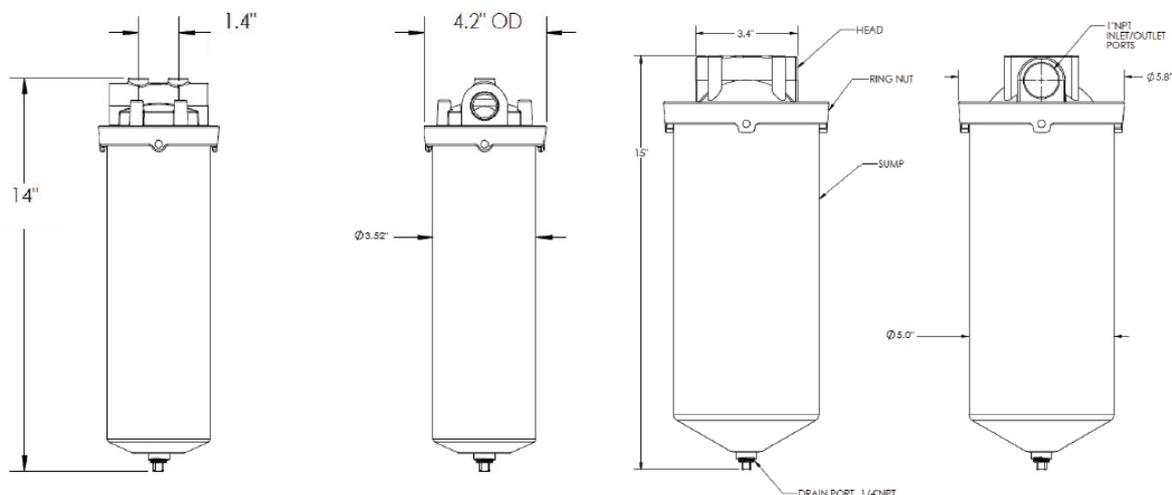

Convenient Bottom Port: A ¼" NPT bottom port simplifies draining and maintenance.

Versatile Cartridge Sealing: An internal spring-loaded seal plate accommodates cartridges of varying lengths, ensuring a proper seal every time.

Secure Closure: The ring-nut closure system provides a tight and reliable fit.

Standard EPDM Seals: High-quality EPDM seals come standard for enhanced performance and reliability.

Manufactured under an ISO 9001:2015 certified quality management system, these housings meet the highest standards of quality and consistency.

Fit 2.25" to 3"OD Filter Cartridge

Fit 4" to 4.5"OD Filter Cartridge
