**FlexFlow Water Softener**

***[www.nordicfiltration.com](http://www.nordicfiltration.com)***

## Technical Data

Flow l/h: 4.100 - 9.400  
 Min. working pressure: 2 bar  
 Max. working pressure: 7 bar  
 Max water temperature: 43°C  
 Inlet/Outlet: 1"  
 Sewage outlets: 1/2"  
 Power supply: 230V - 50HZ  
 Digital display: Yes

## Applications

- Commercial buildings
- Apartment complexes
- Industrial use

FlexFlow water softener is a water softener that are suitable to bigger applications, such as commercial buildings and apartment complexes.

FlexFlow can handle several apartments at the same time, due to its flow that are 80 or 125 l/min - depending on model.

For bigger capacity, it will be possible to connect more FlexFlows. This is suitable for bigger apartment complexes, sport complexes and commercial buildings.

The FlexFlow has the RISE drinking water approval.

RISE drinking water approved  
C900037

### FlexFlow Water Softener

#### Capacity @20dH

Model	Flow (Liter/Hour)	Capacity / Regen.	Kg. Salt / Regen.	Consumption of rinse water (L)
FLEXFLOW-080	4.100 L	11.200 L	9,6 kg.	445 L
FLEXFLOW-125	4.700 L	17.500 L	12,4 kg.	690 L
FLEXFLOW-DUO-160	8.200 L	22.400 L	19,2 kg.	890 L
FLEXFLOW-DUO-250	9.400 L	35.000 L	24,8 kg.	1.380 L

**Brine Tank Dimensions (cm)**

Type	liter	B2	H3
FLEXFLOW-080	~286	68	79
FLEXFLOW-125	~286	88	92

**FlexFlow Softener Dimensions (cm)**

Type	H1	H2	B1	Ht	IN/OUT
FLEXFLOW-080	18	138	34	156	141
FLEXFLOW-125	18	166	37	183	170

When purchasing a duo-setup, the width-dimension will be doubled, as there will be 2 softeners and 2 brine tanks.

At [www.nordicfiltration.com](http://www.nordicfiltration.com) you will find a wide selection of filtration products ready for you to order.

Nordic Filtration offers a wide selection of filtration products for compressed air, liquids and gas. We have stock in Denmark and from here we distribute all of our products to Scandinavia and the Baltic countries.

You can buy our products on local websites. Information about our products as well as brochures and manuals can be found on our website ([www.nordicfiltration.com](http://www.nordicfiltration.com)).

We can adapt all of our filtration products to your needs, and we offer visits from our consultants in order to find the right solution for you. We also offer on going service on our products once they are installed.
